## Prilog *Vojnoekonomski pregled* biće objavljivan u *Vojnom delu*

Redakcija *Vojnotehničkog glasnika* najavila je u broju 1/2014 ponovno pokretanje posebnog priloga *Vojnoekonomski pregled*, koji je od 1953. do 1956. godine priređivan u okviru *Vojnotehničkog glasnika*. Ovaj prilog trebalo je da čine radovi iz oblasti ekonomije, odnosno intendantske i finansijske službe, čime bi bila upotpunjena logistička systemska podrška koju *Vojnotehnički glasnik* pruža radi usavršavanja pripadnika svih rodova i službi Ministarstva odbrane i Vojске Srbije.

Na inicijativu Uprave za budžet i saglasnosti Uprave za odnose sa javnošću i Uređivačkog odbora *Vojnotehničkog glasnika*, prilog *Vojnoekonomski pregled* biće publikovan u naučnom časopisu *Vojno delo*.

## Supplement-section *Military Economy Survey* will be published in *the Vojno delo*

The editorial board of the *Military Technical Courier* announced in No1/2014 a re-issuing of special supplement-section *Military Economy Survey*, which was published as a part of the *Military Technical Courier* from 1953 to 1956. This supplement-section was intended to be comprised of professional papers from the fields of economy, namely quartermaster and financial service, which would add value to the logistics system support offered by *the Military Technical Courier* for further professional training of members of all branches and services of the Ministry of Defence and the Army of Serbia. Upon the initiative of the Budget Department and the agreement of the Public Relations Department and the Editing Board of the *Military Technical Courier*, the supplement-section *Military Economy Survey* will be published in the *Vojno delo* scientific journal.
